# Celebrity Picks for the Super Bowl

42 of 47

## Guy Fieri chef and host of *Minute To Win It*

"Super Bowl is gonna rock. Experience is on the Colts side. Not only have they been to the Super Bowl before, but they went through the same routine in Miami. Plus they've got one of the best QBs in the league coming off what may be his best year. Gotta dig the saints and their stellar year, but I think it will be Colts win 33-23."
